One partner — every channel

LED screens

Large digital screens on main roads and near malls. Spots change within a day.

Billboards

Classic 6×3 m boards and larger on key routes.

Elevator screens

Residential complexes in Astana, Almaty and other cities: residents see your ad several times a day.

TV advertising

National and regional channels, programme and airtime selection.

Radio

Leading stations in Kazakh and Russian: spots, sponsorship, mentions.

Video production

Spots for each screen's resolution, Kazakh and Russian versions.

Ad copy must be in Kazakh (Art. 6, Law of RK "On Advertising"); Russian or English can be added. We help with translation.

HOW WE WORK

How we work

1. Selection

Screens with photos and addresses — the same day

2. Spot

Have one — we check it. If not — we make it from 1 day

3. Launch

On air in 1–3 business days

4. Report

Photo report from every screen
